

## Earning CEUs for Reading Apprenticeship Introduction Online

- 3 CEUs will be available for a total cost of \$210.00 from [California State University-Monterey Bay, College of Extended Education](#).
- The 3 CEUs will be available for purchase directly from CSUMB-EE once a student completes Courses 1 & 2. (CEUs are not available to students who complete Course 1 only.)
- Upon completion of Course 1 & 2, an email will be sent with instructions for how to register and pay online for the CSUMB-EE CEUs.

A Continued Education Unit (CEU) is a nationally recognized measuring method used to quantify approved learning during professional development and training activities.

CSUMB College of Extended Education offers CEUs for qualified events based on the number of training hours provided. One (1.0) CEU is earned for 10 clock hours spent in a planned, structured learning experience or activity.

For unit conversion purposes: One (1.0) CEU is equivalent to one (1.0) non-degree track quarter unit value.

CEUs are not academic units and cannot be transferred to a degree program.

CSUMB-EE issues an Official Professional Development Transcript, upon request. Students may print an Unofficial Transcript from their student account at no cost.
